ORDER:

In the G.O. first read above, orders were issued prescribing the Artificial Insemination charges in respect of Artificial Insemination conducted by the Departmental staff of Animal Husbandry Department to charge Rs.35/- for each Artificial Insemination and remit an amount of Rs.20/- and in respect of Artificial Insemination conducted by the Gopalamitras, the Gopalamitras can charge up to a maximum amount of Rs.50/- for each of the Artificial Insemination conducted by them and the Gopalamitras shall, however, remit Rs.20/- for each Artificial Insemination conducted to the account of A.P. Livestock Development Agency and can use rest of the amount, subject to the maximum of Rs.30/- as their service charges.

2. During the “Rythu Sadassulu” programme conducted in the Districts during 2007, the farmers have represented that they are depending on livestock as their livelihood and that the price for performing Artificial Insemination in cattle and buffaloes is high and requested for reduction of A.I. charges. After considering the request, Government in the G.O. second read above have issued orders prescribing the A.I. charges conducted by the Departmental staff of Animal Husbandry Department at the headquarters to charge Rs.10/- per A.I., and remit the same to the A.P. Livestock Development Agency, if the A.I. is conducted by the Departmental staff at the doorstep of the farmers, allowing the staff to charge Rs.25/- and remit Rs.10/- to A.P. Livestock Development Agency while retaining Rs.15/- towards transportation charges and the Gopalamitras are allowed to charge up to a maximum of Rs.40/- per A.I. and remit Rs.10/- to A.P. Livestock Development Agency while retaining Rs.30/- for their transportation and doorstep charges.

3. Basing on the report of the Chief Executive Officer, A.P. Livestock Development Agency, Hyderabad that the revenue out of Artificial Insemination remittances is very much required for the Agency; that the Government in the reference second above have issued orders reducing the Artificial Insemination fee by Rs.10/- which resulted in 50% deficit to A.P. Livestock Development agency out of A.I. remittances and it has become very difficult to the Agency to ensure smooth implementation of the breeding programme in the State and requested the Government for release of Rs.6.00 crores towards compensation of the loss of revenue in A.I. collection charges. After examining the matter, Government have issued orders in the G.O. third cited enhancing the remittance of Rs.10/- per A.I. done to the A.P. Livestock Development Agency.

P.T.O.

4. In the letter fourth read above, the Chief Executive Officer, A.P. Livestock Development Agency, Hyderabad has reported that for running the activities of A.P. Livestock Development Agency and payment of remuneration to Gopalamitras which is an additional expenditure to A.P. Livestock Development Agency, the Revenue out of Artificial Insemination remittances is required and keeping this in view, he has represented to the Government during the review held on 11.11.2009 for enhancement of Artificial Insemination charges by Rs.10/- per A.I. to meet the increased expenditure.
